CIRCULAR

Sub: Hygiene in Food Establishments

Attention of all Village Panchayats is drawn to the above important subject.

All the Panchayats are hereby directed to ensure that all hotels, eateries, handcarts/movable carts within their jurisdiction are maintaining good hygienic conditions and all food items stored inside should be properly covered and enclosed. Under no circumstances any food establishment should be allowed to exhibit food items open to air or to store the water in open vessels and in unhygienic conditions.

All Village Panchayats are duty bound to prevent outbreak/spreading of any Vector borne diseases and take timely measures for preventing such diseases. The Sarpanchas should regularly attend meetings of NVBDCP Taluka/Sub-division level committee convened by Deputy Collector/Health Officer and comply with the instructions issued by Health Officer.

All Village Panchayat Secretaries are hereby directed to conduct timely inspections of food establishments and ensure compliance of this Circular. The periodical report should be submitted to this Directorate every month.
